DETAILED ACTION

Allowable Subject Matter

Claims 1-20 are allowed.

The following is an examiner's statement of reasons for allowance: the prior art does not disclose or suggest an optical switch comprising all the specific elements with the specific combination including at least one input port, disposed within one of the optical arrays, for launching a beam of light towards the fixed mirror in other optical array, which redirects the beam of light for multiple passes between the titable mirrors in both optical array to the fixed mirror in the one optical array as set forth in claim 1 and 7; and including an angle-to-offset element, wherein a beam of light passes five times through the ATO element when switching a beam of light to a selected one of the at least two output ports as set forth in claim 18.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. Further references of interest are cited on Form PLO-892, which is attachment to this office action.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Ellen Kim whose telephone number is (703) 308-4946. The examiner can normally be reached on Monday and Thursday.
